### TEA AT TEN

Held every Wednesday morning from 10 - 11.30 in the Church Centre. Everyone is welcome to come along for a chat and refreshments. There are plenty of toys for the children to play with and lots of babies come too, so if you are a new mum why not bring yours to meet the others. Newcomers to the village are especially welcome.

The Jumble Sale was very successful raising over £100. Thank you to the mothers and committee members who helped.

If anyone knows of a shed in good condition for sale, please contact Geraldine Stannard, telephone CH 81978.

We would also like a cleaner for about two hours a week. Anyone interested please contact Geraldine Stannard at the above number.

P.A.N. (PRACTICAL ACTION NOW)

Our aim is to co-ordinate any practical help for those in need both at home and abroad. If you would like to help with knitting of squares for blankets, or simple garments, or sewing ready cut-out clothes, please contact any of us. We will supply all materials, bring them to you and collect the finished product.

If you have any oddments of wool (any thickness, any colour) we would be glad to receive them. They can be given to any of us, or left in Anne Norman's Wool shop in the Mall. Anne Norman is also collecting the bands from balls of wool (any make). The wool manufacturers will give 1p for each band collected to charity.

If you go to Jon Marc to have your hair done, you can now improve the shining hour while sitting under the drier by knitting squares for Mother Teresa. There is a box of wool and needles in the shop for you to use. Our grateful thanks to Jon Marc for their kind co-operation in this scheme.

We are still collecting good quality used clothes to pass on, although unfortunately, we are at present unable to send them to Mother Teresa as the Indian Government will not allow any more to be brought into the country. We hope this will be a temporary hiccup only and that supplies will soon be getting through once again. In the meantime, the used clothes we receive are instead being passed on to various charities, including Medical Aid for Poland. We hope that all those people who kindly pass on clothes to us will not object to their being used in this way.

Our grateful thanks to anyone who helps us in any way.

To all residents in the Otter Close area. Our 14 month old black and white cat (mostly black) keeps disappearing for days at a time. Obviously she is being fed and let in elsewhere. Please don't. She is well cared for and eats well, while always begging, being by nature adorable and greedy! We are being worried, continually searching for her when she "disappears". She wears a collar with her address and phone number on so there is no question of her being a stray. Thank you.

## BAR HILL COMMUNITY PRIMARY SCHOOL

November is the month when we celebrate Guy Fawkes night with bonfires and fireworks, and this month we have several new groups bursting like rockets upon us. As mentioned last month we have Mrs. Aldberry-King taking a group for Embroidery starting on the 14th November (Thursday) for 5 weeks at a cost of £6.50 - this was a most successful group last winter with Mrs. Aldberry-King showing many a faint heart the way through intricacies of embroidery. If you wish to join this group please ring Pam on 0763 60287 to discuss your project or any other matter concerning the course, before the starting date. Pam is a very busy person and out most evenings between 6.30 and 10 so keep trying if at first you don't succeed.

Another Roman Candle to be lit is an Art group for those of you who would like to try your hand at various forms of painting - water-colour, oil, pastels etc. Mrs. Wells, your tutor, is a very gifted artist who will welcome all standards of proficiency. To wet your appetite look out for an exhibition of her work which will be on show at the school - free I might add - immediately after half term starting 4th November. This Art group will meet on Tuesdays at 7.30pm starting on 12th November. The course fee for 5 weeks will be £6.50. I am quite sure that this group will spark off many dormant talents as well as providing a group of like-minded friends to work alongside each other over various masterpieces.

The Catherine Wheel of success has turned full circle with the Indoor Bowls Group who have now started playing on Wednesday mornings from 10.30 to 12 noon as well as Friday evenings. If you are new to the village and would like to come along I am sure you will find a welcome there.

The tickets for the Fashion Show and Wine and Cheese evening on 7th November at 7.30pm are selling well so don't leave it too late to purchase yours from either the school office or JönMarc.

Two groups which have gone with a real 'bang' and are to continue after half term are Yoga on Thursday - 5 week course starting on 14th November at 7.30, fee £6.50; Over 60's Keep Fit on Thursday afternoon from 2.00 - 3.00pm at 90p per week. Come to lunch and stay on for Keep Fit. New members will be welcomed in both groups

Get Fit on Monday evenings at 7.30pm will also be starting another 5 week session on 4th November, cost £6.50. Come along and join in this popular class.

I do hope that there is something that will tempt you into sharing with your neighbours some of the delights of having a Community School in your village. There's always a warm welcome to all age groups of long established citizens of Bar Hill and especially our new neighbours who have recently moved into this community. Come along and join in some event, group or course and make new friends.

Please don't forget my request last month for your favourite Christmas or other winter festival special recipe. I have received some from various parts of the world but nowhere near enough to make a reasonable booklet. The closing date for this is 15th Nov.

See you in your community school.

Irene Abraham, Community Co-ordinator

WHAT DOES IT MEAN to serve on a Committee in the Village? It means that you give up just one or two evenings a month. When on the committee you all have to pull your weight and not be a sitting tenant. You work as a team, not some work and the others let them. If your committee is going to be productive you have all got to pull your weight.

This is in response to complaints received by me concerning people elected to committees and then virtually fade away after a month or two not even bothering to resign.

Jo Hall

### BAR HILL CONSERVATIVES

The South East Cambridgeshire Conservative Association Autumn Fair and Grand Auction will be held at The Maltings, Ely on Saturday 16th November, which will be opened by our Member of Parliament, the Rt. Hon. Francis Pym, M.C., M.P. at 11.00am. Lunches and a Wine Bar will be available. The Bar Hill Branch will be holding a Book Stall (not the Chairman's choice!). Anyone wishing to donate books or magazines, including childrens books, please deliver them to 11 Almond Grove, by November 15th.

Francis Pym was welcomed to the last Political Supper on September 20th. A free-ranging discussion took place on a wide variety of subjects. ## PARISH COUNCIL REPORT

The monthly meeting of the Parish Council was held on Thursday 17th October in the Village Hall.

### Sports Facilities

The Chairman reported having received several requests for sports and recreational facilities of various kinds to be provided in the village. It was agreed that all these requests should be considered in conjunction by the Planning Committee, with the possibility of applying for grant aid to be explored. More information will be given in the Bar Hill News as it becomes available.

### Village Maintenance

The Clerk reported on the work being carried out at present by the maintenance staff. The path to the Village Hall has been re-laid, and a further 450 trees are to be planted. A programme of bush and shrub planting is also to be carried out near to the new Little Chef complex.

### Lorry Parking

The practice of overnight lorry parking in the Parish Council car park in Viking Way was deplored and a notice is to be erected prohibiting this. P.C. Turney agreed to co-operate in discouraging lorry drivers from parking there. Village residents may still park caravans there if they wish, but they are asked to inform the Clerk Alec Green (tel 80978) of their intention to do so.

### Path around Village

It was reported that the Residents Association had received requests for a running track to be laid alongside the perimeter road to minimise the possibility of accidents both to joggers and to mothers with small children who at present use the road. The provision of such a track would be beyond the resources of the Parish Council, but Cllr. Reynolds has agreed to take up the matter at the County Council and will report back as soon as possible.

This is a summary of Minutes as yet unapproved by the Parish Council.

The next meeting will be held on Thursday 21st November at 7.30pm in the Village Hall.

## WEST CAMBS CHESS CLUB

Meets at the Village Hall every Wednesday at 7.30pm.

The Chess Club has returned to Bar Hill after an absence of four years. We were originally founded in 1975 at the home of Keith Unwin. For many years we were based on the school, until 1981 when many of our members moved out of the village.

Our centre of gravity then moved to Toft, although our membership is drawn from a wide area including Comberton, Melbourn and Godmanchester. However as more members were recruited from Bar Hill it was obvious that we should move back to the village.

The Village Hall provides us with a convivial setting for club nights. We have attracted several new members and would welcome more. Friendly games and light-hearted tournaments are the order of the day. Beginners and "social" players are particularly welcome.

However we also play in local chess leagues. Our  $5\frac{1}{2} - \frac{1}{2}$  victory over Stamford gave us an excellent start in the Huntingdon and Peterborough League (wins for Paul Kemp, Steve Emmerton, Mark Vigor, Jim Calleja and Martin Smith - Bill Cruse got the draw). We also intend to enter Division 2 of the Cambridge League.

Paul Kemp, our leading player, will be taking on all comers in a simultaneous exhibition on Wednesday 11th December at the Village Hall. Everybody welcome.

## BAR HILL MOTHER AND TODDLER GROUP

As most people in the village know there is a supervised Mother and Toddler Group (for children aged between 16 months and 3 yrs) in the Church Centre on Monday and Friday mornings and afternoons and Thursday mornings. For further details please contact Pat on 81024.

I would like to welcome Carol Dallywater as a new member of the Toddler committee. I would also like to thank Jean Doland for her donation of a lovely rocking horse and bike which are both very much appreciated.

We will be holding our Christmas Fayre on December 7th in the Church Centre and of course will be having our annual visit from Father Christmas, we look forward to seeing you there.

AN OPEN LETTER TO ALL RESIDENTS FROM YOUR LOCAL COUNTY COUNCILLOR

Dear Resident,

EXTRA CLASSROOMS The Education Department are now proceeding with proposals to construct two temporary classrooms for Bar Hill Primary School to accommodate the extra children from January 1986. However, I regret to say that the Liberal and Labour groups on the County Council have resolved to defer until next Summer any consideration of Capital Work on School Buildings in the third year of the Medium Term Plan. This includes the provision of permanent classroom accommodation for Bar Hill Primary School for which I have campaigned most vigorously.

LIBRARY At the Education Committee I proposed that the provision of a permanent Library for Bar Hill should be brought forward from 1988/89 to 1986/87, because of the dramatic increase in population and in my view the urgent needs of the Community. However, despite the full support of the Conservative Group the Liberal and Labour Councillors rejected this proposal. The Liberal Chairman of the Libraries Committee thought that Bar Hill had a sufficient basic service already. I am afraid therefore, that Bar Hill will still have to wait three years for the permanent Library.

YOUTH CLUB I am gaining considerable support from a number of influential quarters in my campaign to obtain Youth Facilities in Bar Hill. It has been recognised by the Community Education Review Group (of which I am a member), as well as by Senior Officers that Bar Hill has a high priority for a Youth Budget. I am hopeful that following my efforts provision will be made for the Youth of Bar Hill in the next financial year.

OTHER ACTIVITIES The County Council have been very active during the past month and I have attended many Committee Meetings, Working Parties and Informal Discussions with Officers. Amongst these was a joint meeting of Members with Senior British Rail Officials to discuss Transport in Cambridgeshire including Electrification and Improvement of Services. I was a member of the Panel which appointed a new Warden for Impington Village College. Attended two Full Education Committee's and two Education Sub-Committee's. At one of the Education Committee's the Conservatives put forward a proposal to safeguard Teachers jobs instead of automatically withdrawing them from schools where the pupil numbers have dropped. The Liberal Alliance rejected this proposal. I also attended a meeting to represent Cambridgeshire County Council on the Area Manpower Board of the Manpower Services Commission and attended a Seminar on 'Local Financial Management for Schools' which was pioneered by the previous Conservative County Council and which brings substantial advantages to participating Schools. I have also been to the first meeting of the newly formed Committee on Religious Education in Cambridgeshire's Schools.

GREEN BELT The County Council's Planning Committee of which I am a member has now finally decided on the shape and form of the Cambridge Green Belt following the publication of the Inspectors Report. I was able to secure the inclusion of land in Girton as part of the Green Belt but a number of other areas around the City were confirmed as potential development areas.

NEW EXAMINATIONS I have urged the County Council and it has agreed to ask Sir Keith Joseph to defer the new G.C.S.E. Examinations for

a year in view of the disruption caused by the Teachers Industrial Action.

If anyone wishes to contact me about this letter or indeed any issue that concerns them please either telephone me on the Careline C.H. 80975 or write to Councillor John Reynolds, 4 Pettitts Close, Dry Drayton, Cambridge, CB3 8DQ

THE PAPWORTH HOSPITAL  
CHEST UNIT  
PATIENT CARE FUND  
-----

As many readers will know Papworth is an old, small but very friendly hospital set in lovely grounds west of Cambridge. The Chest unit looks after patients with all types of chest illness, not only from Cambridge but also from Huntingdon District and some people from the Newmarket area or further afield. The hospital was built (to pretty low building standards!) in the 1920's and its age is beginning to tell as those who have been patients there will testify. The hard-pressed NHS has to give priority to spending money on medical and scientific equipment and on the increasingly expensive medicines and drugs and unfortunately there is all too little money left to provide all the amenities necessary for the comfort and enjoyment of patients and (visitors). We depend very heavily on donations from the Friends of the Hospital, from the Papworth Hospital shop, and from well-wishers. The recent contributions sponsoring Robin Cruse in the Triathlon will be paid into the Patient Care Fund and spent at the discretion of the Ward Sisters on anything which will improve the well-being and comfort of patients. We are grateful to her for her magnificent effort and to those who sponsored her.

Dr. John Stark

The total amount collected is £905.20. The accounts have been checked by Dr. Stark's secretary and I shall be handing them the cheque in the near future. I would like to thank all those who were so generous with their donations and also to those who were so enthusiastic and helpful in many ways.

A typical evenings programme is: brief business-time, speaker, refreshments, competition, time to chat, tables to peruse, e.g. bring-and-buy, W.I. news; maybe anagrams, raffle, and at present, we hope, the Bar Hill W.I. choir warbling gently in a corner practising their carol for the Cambridgeshire Carol Concert!
